Retail Insurance Product Commissions

Ingenious Brokers may be paid initial and ongoing commissions by retail insurance product issuers where you acquire any of the retail insurance products via our services.

Where the commission in the first year is greater than that payable in later years, the maximum upfront (year 1) commission is 66% and the maximum ongoing (years 2+) commission is 22% (inclusive of GST). For example, for an insurance premium of \$1,000, the commission is up to \$660 upfront and up to \$220 each year thereafter.

Where upfront and ongoing commissions are the same, there is no legislated maximum however product providers generally pay up to 33%.

Where the insurance product(s) was purchased prior to 1 January 2018, we may continue to be paid commissions in the same manner as what would have previously been advised to you at the time of obtaining the product(s).
